

**DIDCOT & DISTRICT
ARCHAEOLOGICAL & HISTORICAL SOCIETY**

Chairman's Update April 2021

Dear Member,

I am writing to inform you all of the Society's future plans.

Based on the Government's current roadmap of the way out of the pandemic, it looks like public venues will be allowed to open from 21st June 2021.

We propose to host our first face to face meeting with a speaker on 14th October 2021, at the Northbourne Centre and I would like to know your thoughts on this and how you would feel about attending that proposed meeting. Please let me know by contacting me (details below).

Membership fees will not be due again until March 2022.

A reminder to keep looking out for articles in the **Didcot Herald**, written by myself and Dot Long.
