

CHAIRMANS REPORT

Good Evening Ladies and Gentlemen

The last year has once again been tough for various societies and organisations across the world as we hopefully emerge from the grip of the pandemic , but we must not be complacent as the absence of certain members tonight is a reminder that covid is still very much with us.

With that in mind we have done well to restart our face to face talks.

So the future there is no doubt our membership is ageing and we appear to find it hard to attract younger members. We are hoping to put a talk on in the Great Western Park Area to introduce the society to new families on that estate.

Meanwhile we shall continue in the same format with 8 monthly talks.

The only part of the programme we need to review are the field trips with the price of fuel and hire of mini buses and coaches these have become prohibitive.

We are still open for suggestions for future talks.

In closing I would like to thank my committee members for keeping me on the right track.

I am quite happy to stand as your Chairman again if you so wish.

David Taylor. April 2022
